

Brussels, January 5th 2017,

Dear Sir,

At the beginning of this new year, the United States Embassy holds to invite the powers that be to the annual new year gathering. As De Seniorens from Zomergem are a very important partner, or can we even say "friend", of our great nation, we would very much appreciate your presence.

For security reasons in this turbulent era, it is impossible to use traditional venues, therefore we chose a location near your home base. We would like to welcome you and your partner on

*Saturday January 28th , 18:00hr,
at youth club "The Dung Hill".*

*If so, please send us an email (usembassybrux@yahoo.com) and transfer 35€/pers to **BE44 143 0739084 45** , before Sunday January 22th !*

Dress code: "USA", but non obligatory...

Looking forward on tightening our bonds, so we can make both our nations great again.

Yours sincerely,

Denise Bauer
